

« MY EXPERIENCE WITH GUARDING DOGS »

You came across a flock of sheep or goats with guarding dogs during your hike. When you approached, the dog has interacted with you and you want to share it. To help us evaluate the behavior of the dog, to know the circumstances of these events and to ensure a better cohabitation between the users of the mountain, thank you to fill this questionnaire and send it back to one of the following addresses :

- 1
- 2
- 3
- 4
- > 5

* **How many guarding dogs approached you ?**

- 0
- 1
- 2
- 3
- 4
- > 5

Were you on a path ? Yes No

How far from the flock were you when the guarding dog spotted you?

- In the flock
- 0 – 50 m
- 50 – 300 m
- > 300 m

Where was the dog in relation to the flock ?

- In the flock
- 0 – 50 m
- 50 – 300 m
- > 300 m

Was the flock on the path ? Yes No

* **The flock was :** In a pen (nets) Free range

If it was in a pen, did you enter ?

- Yes
- No

Why ?

- There was an access to enter the pen.
- To continue my way.
- To save time.
- To approach the flock.
- Another :

If not, did a dog go out of the pen ?

- Yes
- No

* **Did you walk through the middle of the flock ?**

- Yes
- No

Why ?

- I didn't know it was better to bypass it.
- I didn't think I had the right to leave the path.
- The flock was too divided to be bypassed.

- The bypass was impossible because of the relief.
- The bypass was impossible because of the weather.
- I was in a hurry.
- The shepherd was present.
- Another :

How did you do ?

- You turned around.
- You bypassed the flock.
- Another :

Was one of you surprised by the other ?

- Yes No

If yes, why ? You saw each other at the last moment because of :

- The topography (relief) of the environment.
- The presence of buildings / vegetation / rocks blocking the field of vision.
- Your speed.
- Another :

Did you have one or more walking poles ?

- Yes No

If yes, what was their position when the guarding dog approached ?

- Behind my back

- In a hand down
- Waved in front of me
- Waved in the air
- Fastened to my backpack
- I continued to use it to walk.
- Another :

Were you accompanied by one or more pet dogs ?

- Yes No

If yes :

- Your dog was on a leash.
- You were holding your dog (no leash).
- You took your dog in your arms.
- The dogs interacted together in a friendly manner.
- The dogs interacted together aggressively.
- Only your dog was aggressive.
- Only the guarding dog was aggressive.
- Your dog was bitten by a guarding dog.
- Another :

Was the shepherd present ? Yes No

If yes, did he intervene? Yes No

If yes, did the dog change his behaviour ?

- Yes No

YOUR REACTION

*** When the guarding dog spotted you, you :**

- Completely ignored the dog
- Left the path to bypass the flock
- Turned back
- Continued to move forward
- Stopped your move
- Stopped your bike and got off it
- Spoke calmly to the dog
- Stared at the dog in the eyes
- Raised your arms
- Shouted
- Waved your staff / walking poles
- Ran
- Accelerated on your bike
